

Catriel Arandiga

Bachelor's in Business Administration

PROFESSIONAL EXPERIENCE

Working Holiday in Australia | Professional Break

Nov.2022 – Dec.2023

J.P. Morgan Argentina | Middle Office Analyst

Jul. 2021 – Nov.2022

Managed the settlement of treasury bond transactions between front office and desk clients, ensuring adherence to company policies and legal regulations.

- Successfully led the migration of the Middle Office role for the Treasury Bonds product from USA to Argentina. I was responsible for training a team of four individuals to take on the tasks of this role effectively. This achievement demonstrated not only my ability to manage complex projects but also my skill in coaching and developing teams, ensuring a seamless transition and optimal performance in the new role.

ICBC Argentina | Senior Financial Planning Analyst

Mar. 2020 – Jul. 2021

Responsible for generating comprehensive reports on the bank's performance, supplying high-quality data crucial for decision-making across key business areas.

- Managed the automation and updating of reports using Power BI for Benchmark reports, involving multiple departments across the company.

ICBC Argentina | Risk Assurance Analyst

Sept. 2016 – Mar. 2020

As an Internal Audit Analyst, I analyzed risks associated with products and areas, conducting thorough reviews of documented controls. Prepared audit reports for presentation to product/area stakeholders.

PwC Argentina | Service Delivery Center Analyst

Sep. 2014 – Sep. 2016

Audit and Internal Control Analyst for USA clients.
